Using her latest deck, Doreen will teach you the ways to contact Archangel Michael, a powerful protector who helps everyone who calls upon him. Whether your question relates to one of Michael's specialties—such as life purpose, career, protection, courage, confidence or safety—or if you simply want his guidance, this card deck will allow you to feel his loving power on a whole new level. Each card features an original and inspiring painting of Archangel Michael and a relevant prayer that you can use in your card readings for yourself, your friends and your family.

Working with the Angel Therapy cards is also a powerful healing and guidance process that involves connecting with both the guardian angels and archangels. Doreen will help you use these oracle cards to find out the action steps you may need to take that will initiate healing. She will also help you release fears and emotional blocks and give you messages about your life purpose, relationships, manifestations and more.
